Edition for	Dates	Topics	Expositions/Conventions
2 February	PD: 01/29 CD: 01/12 AD: 01/07 MD: 01/12	Digitalization: BIM; ERP; CAD; SaaS; telematics; networking on site; automatization; cybersecurity Demolition & recycling: razing, cartage and wrecking; loader; material transport; drilling and bursting; conveying; mining machinery und wear parts; equipment and devices Excavators and wheel loaders: tracked and compact excavators; electric drive and work; dumpers; graders; bulldozers; special machines; quick couplers; wear parts; engine technology; hydraulics Facade, formwork & scaffolding: housing and commercial construction; building's renewal and expansion; formwork supplies and accessories; working platforms; insulation and facade material; finery and wall coating Pipeline and sewer construction: Sewerage; drilling technology; pipe lining; shaft and sewer pipes; trenchless laying; pumps; shoring systems; sewage, water, gas or district heating pipeline construction Road and path construction: road expansion and renewal; tunnels and bridges; material and recycling; ground consolidating; pavement and machinery; asphalt mixing plants; site equipment Each edition: <i>politics & business; legal issues; from German regions; science & technics; business mobility</i>	Dach + Holz February, 24th to 27th Oldenburg's Pipeline Convention February, 5th to 6th VDBUM Great Convention February, 10th to 13th, Willingen German Asfalt Days February, 25th to 27th, Berchtesgaden
3 March	PD: 02/26 CD: 02/09 AD: 02/04 MD: 02/09	Cranes & lifting Technology: teleskopisch handler; mobile and tower cranes; hydraulic components; aerial work platforms; lifts and elevators; ladders and other climb devices Formwork & concrete: Component and formwork systems; ready-mix concrete; formwork accessories and equipment; production of cement and other binders, fromwork repair; 3D printing Landscape contracting: compact loaders and excavators; compact dumpers; electric devices; bulldozing; wear parts; sweepers; rural machines; road renewal; plaster und surfaces Masonry construction, Insulation systems: bricks and tiles; components and system elements; techniques and materials; fire protection; insulation systems Safety & workwear: Occupational safety; safety shoes and gloves; goggles; helmets; HPD; PPE for construction and crafts; Protective and work clothing Serial construction: modular construction; industrial prefabrication; systemic construction; high speed assembling Each edition: <i>politics & business; legal issues; from German regions; science & technics; business mobility</i>	ConExpo USA March, 03rd to 07th, Las Vegas International Handycraft Fair March, 04th to 8th, Munich Conference for Deconstruction March, 13th, Berlin Concrete Days Ulm March, 10th to 12th DigitalBau March, 24th to 26th, Cologne
4 April	PD: 03/26 CD: 03/09 AD: 03/04 MD: 03/09	Digitalization: BIM; CAD; ERP; SaaS; networking on site; automatization; cybersecurity Facade, formwork & scaffolding: housing and commercial construction; building's renewal and expansion; formwork supplies and accessories; working platforms; insulation and facade material; finery and wall coating Financial, rental & leasing: purchase and modalities; fleet management; assurances; calculating systems Machinery innovation: smart construction machinery; hydraulics; telematics; automatization und robotics; efficient working with construction machinery; rationalization; net zero emissions; motor fuel efficiency Road and path construction: road expansion and renewal; tunnels and bridges; material and recycling; ground consolidating; pavement and machinery; asphalt mixing plants; site equipment Special civil engineering: tunnels, shafts, chambers, and passageways; pile drivers; Larssen sheet piling; ground drilling; tunnel boring machines; geothermal plants; pumps; earth refurbishing Site equipment: blocking and fences; signal technology; working security; equipment; container; traffic security Timber construction: nail plate trusses; roof trusses; facade elements; insulation material; staircase and railing construction; fire protection; prefabrication; coatings and paints; tools Each edition: <i>politics & business; legal issues; from German regions; science & technics; business mobility</i>	Hannover Messe April, 20th to 24th, Hanover
5 May	PD: 04/30 CD: 04/13 AD: 04/08 MD: 04/13	Preview: IFAT Commercial vehicles: Trucks and bodies; trailers, low loaders, tippers, unwinders, silos; vans; trolley equipment; engine and transmission technology; cargo security Cranes & Lifting Technology: teleskopisch handler; mobile and tower cranes; hydraulic components; aerial work platforms; lifts and elevators; ladders and other climb devices Demolition & recycling: razing, cartage and wrecking; loader; material transport; drilling and bursting; conveying; mining machinery und wear parts; equipment and devices Digitalization: BIM; CAD; ERP; SaaS; networking on site; automatization; cybersecurity Excavators and wheel loaders: tracked and compact excavators; electric drive and work; dumpers; graders; bulldozers; special machines; quick couplers; wear parts; engine technology; hydraulics Formwork & concrete: Component and formwork systems; ready-mix concrete; formwork accessories and equipment; production of cement and other binders, fromwork repair; 3D printing Pipeline and sewer construction: Sewerage; drilling technology; pipe lining; shaft and sewer pipes; trenchless laying; pumps; shoring systems; sewage, water, gas or district heating pipeline construction Each edition: <i>politics & business; legal issues; from German regions; science & technics; business mobility</i>	IFAT May, 4th to 8th, Kassel SaMoTer May 6th to 9th, Verona
6 June	PD: 06/02 CD: 05/18 AD: 05/13 MD: 05/18	Review: IFAT Environmental technology: filter technology und water treatment; sweeping and cleaning; material flow management; pumps; store security; air handling units; dust collecting devices; geotextiles Landscape contracting: compact loaders and excavators; compact dumpers; electric devices; bulldozing; wear parts; sweepers; rural machines; road renewal; plaster und surfaces Masonry construction, Insulation systems: bricks and tiles; components and system elements; techniques and materials; fire protection; insulation systems Road and path construction: road expansion and renewal; tunnels and bridges; material and recycling; ground consolidating; pavement and machinery; asphalt mixing plants; site equipment Safety & workwear: Occupational safety; safety shoes and gloves; goggles; helmets; HPD; PPE for construction and crafts; Protective and work clothing Serial construction: modular construction; industrial prefabrication; systemic construction; high speed assembling Each edition: <i>politics & business; legal issues; from German regions; science & technics; business mobility</i>

7 July 7	PD: 07/02 CD: 06/15 AD: 06/10 MD: 06/15	Commercial vehicles: Trucks and bodies; trailers, low loaders, tippers, unwinders, silos; vans; trolley equipment; engine and transmission technology; cargo security Cranes & Lifting Technology: teleskopik handler; mobile and tower cranes; hydraulic components; aerial work platforms; lifts and elevators; ladders and other climb devices Digitalization: BIM; CAD; ERP; SaaS; networking on site; automatization; cybersecurity Excavators and wheel loaders: tracked and compact excavators; electric drive and work; dumpers; graders; bulldozers; special machines; quick couplers; wear parts; engine technology; hydraulics Facade, formwork & scaffolding: housing and commercial construction; building's renewal and expansion; formwork supplies and accessories; working platforms; insulation and facade material; finery and wall coating Pipeline and sewer construction: Sewerage; drilling technology; pipe lining; shaft and sewer pipes; trenchless laying; pumps; shoring systems; sewage, water, gas or district heating pipeline construction Timber construction: nail plate trusses; roof trusses; facade elements; insulation material; staircase and railing construction; fire protection; prefabrication; coatings and paints; tools <i>Each edition: politics & business; legal issues; from German regions; science & technics; business mobility</i>	
8 August 8	PD: 08/06 CD: 07/20 AD: 07/15 MD: 07/20	Preview: Steinexpo Demolition & Mining: razing, cartage and wrecking; loader; material transport; drilling and bursting; conveying; mining machinery and wear parts; equipment and devices Financial, rental & leasing: purchase and modalities; fleet management; assurances; calculating systems Formwork & concrete: Component and formwork systems; ready-mix concrete; formwork accessories and equipment; production of cement and other binders, fromwork repair; 3D printing Machinery innovation: smart construction machinery; hydraulics; telematics; automatization und robotics; efficient working with construction machinery; rationalization; net zero emissions; motor fuel efficiency Serial construction: modular construction; industrial prefabrication; systemic construction; high speed assembling Site equipment: blocking and fences; signal technology; working security; equipment; container; traffic security <i>Each edition: politics & business; legal issues; from German regions; science & technics; business mobility</i>	Steinexpo September; 2nd to 5th, Nieder-Ofleiden (Hesse)
9 September 9	PD: 09/03 CD: 08/17 AD: 08/12 MD: 08/17	3 × Preview: NordBau, GaLaBau, IAA Transportation Commercial vehicles: Trucks and bodies; trailers, low loaders, tippers, unwinders, silos; vans; trolley equipment; engine and transmission technology; cargo security Digitalization: BIM; CAD; ERP; SaaS; networking on site; automatization; cybersecurity Environmental technology: filter technology and water treatment; sweeping and cleaning; material flow management; pumps; store security; air handling units; dust collecting devices; geotextiles Facade, formwork & scaffolding: housing and commercial construction; building's renewal and expansion; formwork supplies and accessories; working platforms; insulation and facade material; finery and wall coating Landscape contracting: compact loaders and excavators; compact dumpers; electric devices; bulldozing; wear parts; sweepers; rural machines; road renewal; plaster und surfaces Road and path construction: road expansion and renewal; tunnels and bridges; material and recycling; ground consolidating; pavement and machinery; asphalt mixing plants; site equipment <i>Each edition: politics & business; legal issues; from German regions; science & technics; business mobility</i>	NordBau September 10th to 14th, Neumünster GaLaBau September 15th to 18th, Nuremberg IAA Transportation September 15th to 20th, Hanover Batimat Sep 28th to Oct 4th, Paris
10 October 10	PD: 10/01 CD: 09/14 AD: 09/09 MD: 09/14	Preview: Platformers Days; 2 × Review: Steinexpo, NordBau Cranes & Lifting Technology: teleskopik handler; mobile and tower cranes; hydraulic components; aerial work platforms; lifts and elevators; ladders and other climb devices Excavators and wheel loaders: tracked and compact excavators; electric drive and work; dumpers; graders; bulldozers; special machines; quick couplers; wear parts; engine technology; hydraulics Formwork & concrete: Component and formwork systems; ready-mix concrete; formwork accessories and equipment; production of cement and other binders, fromwork repair; 3D printing Masonry construction, Insulation systems: bricks and tiles; components and system elements; techniques and materials; fire protection; insulation systems Pipeline and sewer construction: Sewerage; drilling technology; pipe lining; shaft and sewer pipes; trenchless laying; pumps; shoring systems; sewage, water, gas or district heating pipeline construction Safety & workwear: Occupational safety; safety shoes and gloves; goggles; helmets; HPD; PPE for construction and crafts; Protective and work clothing <i>Each edition: politics & business; legal issues; from German regions; science & technics; business mobility</i>	Platformers Days October; 8th to 9th, Karlsruhe Arbeitsschutz aktuell October; 20th to 22nd, Stuttgart
11 November 11	PD: 11/03 CD: 10/19 AD: 10/14 MD: 10/19	Preview: BIM World Munich; Review: GaLaBau, IAA Transportation Commercial vehicles: Trucks and bodies; trailers, low loaders, tippers, unwinders, silos; vans; trolley equipment; engine and transmission technology; cargo security Demolition & Recycling: razing, cartage and wrecking; loader; material transport; drilling and bursting; conveying; mining machinery and wear parts; equipment and devices Digitalization: BIM; CAD; ERP; SaaS; networking on site; automatization; cybersecurity Facade, formwork & scaffolding: housing and commercial construction; building's renewal and expansion; formwork supplies and accessories; working platforms; insulation and facade material; finery and wall coating Landscape contracting: compact loaders and excavators; compact dumpers; electric devices; bulldozing; wear parts; sweepers; rural machines; road renewal; plaster und surfaces Timber construction: nail plate trusses; roof trusses; facade elements; insulation material; staircase and railing construction; fire protection; prefabrication; coatings and paints; tools <i>Each edition: politics & business; legal issues; from German regions; science & technics; business mobility</i>	BIM World Munich Nov ≈ 25th to 26th, Munich denkmal – European Leading Fair für Vintage Building Reconstr. November; 5th to 7th, Leipzig bauma China November 24th to 27th, Shanghai
12/1 Dezember/ Januar 2026 12	PD: 12/03 CD: 11/16 AD: 11/11 MD: 11/16	Preview: BAU Munich Excavators and wheel loaders: tracked and compact excavators; electric drive and work; dumpers; graders; bulldozers; special machines; quick couplers; wear parts; engine technology; hydraulics Formwork & concrete: Component and formwork systems; ready-mix concrete; formwork accessories and equipment; production of cement and other binders, fromwork repair; 3D printing Road and path construction: road expansion and renewal; tunnels and bridges; material and recycling; ground consolidating; pavement and machinery; asphalt mixing plants; site equipment Serial construction: modular construction; industrial prefabrication; systemic construction; high speed assembling Site equipment: blocking and fences; signal technology; working security; equipment; container; traffic security Special civil engineering: tunnels, shafts, chambers, and passageways; pile drivers; Larssen sheet piling; ground drilling; tunnel boring machines; geothermal plants; pumps; earth refurbishing <i>Each edition: politics & business; legal issues; from German regions; science & technics; business mobility</i>	InfraTech January, 13th to 15th 2026, Essen
