2 February	ET 03.02. RS 17.01. AS 12.01. DU 17.01.	<p>Trade Fair Special Dach + Holz</p> <p>Cranes & Lifting: telescopic loaders; mobile and rotating tower cranes; work platforms; construction hoists; scaffolding</p> <p>NEW: Timber Construction: nailplates; roof trusses; facade elements; framework; insulating material; stairs and railing; fire protection; prefabrication; coatings and colours; tools</p> <p>Pipeline and sewer construction: sewerage, drilling technology, tunnel formwork, hose lining; manhole and sewer pipes; trenchless installation; pumps; shoring systems; sewage, water, gas and district heating pipelines</p> <p>Digitization: process optimisation; labour organisation; BIM integration; cybersecurity; machine control and data acquisition; networked site; automation</p> <p>Commercial vehicles: trucks and bodies; trailers, low loaders, tippers, dispensers; transporters; silos; workshop trolleys</p> <p>Formwork & Concreting: components and formwork systems; 3D-printing, Ready-mixed concrete; formwork accessories and equipment</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Current trade fairs</p> <p>InfraTech 11.01.2022 – 13.01.2022</p> <p>Tiefbau Forum 20.01.2022</p> <p>Oldenburger Rohrleitungsforum 27.01.2022 – 28.01.2022</p> <p>Digital Bau 15.02.2022 – 17.02.2022</p> <p>Dach + Holz 15.02.2022 – 18.02.2022</p> <p>Betontage Ulm 22.02.2022 – 25.02.2022</p> <p>Agrotechnica 27.02.2022 – 05.03.2022</p>
3 March	ET 03.03. RS 14.02. AS 09.02. DU 14.02.	<p>Compact machines for garden and landscaping construction: skid-steer loaders, compact excavators and dumpers; small compressors; attachments; sweepers; compact machines; paving and path construction; municipal technology</p> <p>Facade, Formwork & Scaffolding: scaffolding formwork, tunnel formwork; formwork accessories and equipment; work platforms; expansion and restoration</p> <p>Demolition & Recycling: crushing and screening plants; procession plants; dumpers and wheel loaders; drilling and blasting; conveyor belts; demolition tools; equipment and accessories</p> <p>System construction: modular construction; construction systems; construction, office and residential containers; serial construction; drywalls</p> <p>Machines for building trade: hand-guided machines; tools; network-dependent and independent equipment</p> <p>Occupational safety and workwear: safety at work; safety shoes; personal protective equipment for construction and building trade; work clothing</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Current trade fairs</p> <p>Internationale Handwerksmesse 09.03.2022 – 13.03.2022</p> <p>Abbruch Fachtagung 11.03.2022</p>
4 April	ET 31.03. RS 14.03. AS 09.03. DU 14.03.	<p>Formwork & Concreting: components and formwork systems; 3D-printing, Ready-mixed concrete; formwork accessories and equipment</p> <p>Innovations in construction machinery: future trends of building industry; intelligent construction machinery, automation and robotics; efficient use of construction machinery; rationalization; climate-neutral building; fuel saving</p> <p>Commercial vehicles: trucks and bodies; trailers, low loaders, tippers, dispensers; transporters; silos; workshop trolleys</p> <p>Masonry construction: bricks; components and system elements; techniques and material; fire protection; insulating systems</p> <p>Financing, Renting & Leasing: fleet, rental of construction machinery, equipment and containers; insurance; financing</p> <p>Digitization: process optimisation; labour organisation; BIM integration; cybersecurity; machine control and data acquisition; networked site; automation</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Current trade fairs</p> <p>Mawev-Show 06.04.2022 – 09.04.2022</p>
5 May	ET 28.04. RS 11.04. AS 06.04. DU 11.04.	<p>Trade Fair Special: IFAT</p> <p>Civil engineering: pipelines, sewage, environmental engineering: drilling technology, hose lining; trenchless installation; shoring systems; sewage, water, gas and district heating pipelines; disposal technology; recycling technology</p> <p>Occupational safety and workwear: safety at work; safety shoes; personal protective equipment for construction and building trade; work clothing</p> <p>Facade, Formwork & Scaffolding: scaffolding formwork, tunnel formwork; formwork accessories and equipment; work platforms; expansion and restoration</p> <p>Construction machines: excavators, wheel loaders, dumpers; graders; bulldozers; special machines; quick-changers; wear parts</p> <p>NEW: Timber Construction: nailplates; roof trusses; façade elements; framework; insulating material; stairs and railing; fire protection; prefabrication; coatings and colours; tools</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Current trade fairs</p> <p>RecyclingAKTIV/ TiefbauLIVE 05.05.2022 – 07.05.2022</p> <p>IFAT 30.05.2022 – 03.06.2022</p>
6 June	ET 02.06. RS 16.05. AS 11.05. DU 16.05.	<p>Digitization: process optimisation; labour organisation; BIM integration; cybersecurity; machine control and data acquisition; networked site; automation</p> <p>Compact machines for garden and landscaping construction: skid-steer loaders, compact excavators and dumpers; small compressors; attachments; sweepers; compact machines; paving and path construction; municipal technology</p> <p>Demolition & Recycling: crushing and screening plants; procession plants; dumpers and wheel loaders; drilling and blasting; conveyor belts; demolition tools; equipment and accessories</p> <p>System construction: modular construction; construction systems; construction, office and residential containers; serial construction; drywalls</p> <p>Cranes & Lifting: telescopic loaders; mobile and rotating tower cranes; work platforms; construction hoists; scaffolding</p> <p>Formwork & Concreting: components and formwork systems; 3D-printing, Ready-mixed concrete; formwork accessories and equipment</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	

<p>7 July</p> <p>7</p>	<p>ET 30.06. RS 13.06. AS 08.06. DU 13.06.</p>	<p>Trade Fair Review: IFAT</p> <p>Construction machines special: excavators, wheel loaders, dumpers; graders; bulldozers; special machines; quick-changers; wear parts</p> <p>Commercial vehicles: trucks and bodies; trailers, low loaders, tippers, dispensers; transporters; silos; workshop trolleys</p> <p>Financing, Renting & Leasing: fleet, rental of construction machinery, equipment and containers; insurance; financing</p> <p>Technology for road and path construction: compaction technology; expansion and restoration; asphalt mixing plants; dumpers, scrapers, wheel loaders, excavators, crawlers, tractors; site equipment; noise protection; levelling</p> <p>Pipeline and sewer construction: sewerage, drilling technology, tunnel formwork, hose lining; manhole and sewer pipes; trenchless installation; pumps; shoring systems; sewage, water, gas and district heating pipelines</p> <p>Facade, Formwork & Scaffolding: scaffolding formwork, tunnel formwork; formwork accessories and equipment; work platforms; expansion and restoration</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	
<p>8 August</p> <p>8</p>	<p>ET 28.07. RS 11.07. AS 06.07. DU 11.07.</p>	<p>Bauma-Preview I</p> <p>Innovations in construction machinery: future trends of building industry; intelligent construction machinery, automation and robotics; efficient use of construction machinery; rationalization; climate-neutral building; fuel saving</p> <p>Cranes & Lifting: telescopic loaders; mobile and rotating tower cranes; work platforms; construction hoists; scaffolding</p> <p>Demolition & Recycling: crushing and screening plants; procession plants; dumpers and wheel loaders; drilling and blasting; conveyor belts; demolition tools; equipment and accessories</p> <p>Commercial vehicles & accessoires: wheels, chains; engines, gears, breaks, axes; lubricants; oils, fuels; chain tracks; automation and vehicle control systems</p> <p>Facade, Formwork & Scaffolding: scaffolding formwork, tunnel formwork; formwork accessories and equipment; work platforms; expansion and restoration</p> <p>System construction: modular construction; construction systems; construction, office and residential containers; serial construction; drywalls</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	
<p>9 September</p> <p>9</p>	<p>ET 01.09. RS 15.08. AS 10.08. DU 15.08.</p>	<p>Bauma-Preview II</p> <p>Trade Fair Special: IAA Nutzfahrzeuge / NordBau / GaLaBau</p> <p>Compact machines for garden and landscaping construction: skid-steer loaders, compact excavators and dumpers; small compressors; attachments; sweepers; compact machines; paving and path construction; municipal technology</p> <p>Financing & Insurance: rent, purchase & financing of commercial vehicles; financing and insurance of construction machinery; pension scheme bAV</p> <p>Construction site safety: fall protection; barriers; signalling; occupational safety; protective clothing; equipment</p> <p>Cranes & Lifting: telescopic loaders; mobile and rotating tower cranes; work platforms; construction hoists; scaffolding</p> <p>Digitization: process optimisation; labour organisation; BIM integration; cybersecurity; machine control and data acquisition; networked site; automation</p> <p>Masonry construction: bricks; components and system elements; techniques and material; fire protection; insulating systems</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Current trade fairs</p> <p>NordBau 07.09.2022 – 11.09.2022</p> <p>Abbruch Jahreskongress 09.09.2022</p> <p>GaLaBau 14.09.2022 – 17.09.2022</p> <p>IAA Nutzfahrzeuge 20.09.2022 – 25.09.2022</p>
<p>10 October</p> <p>10</p>	<p>ET 06.10. RS 19.09. AS 14.09. DU 19.09.</p>	<p>Trade Fair Special: Bauma</p> <p>Construction machines: excavators, wheel loaders, dumpers; graders; bulldozers; special machines; quick-changers; wear parts</p> <p>Commercial vehicles: trucks and bodies; trailers, low loaders, tippers, dispensers; transporters; silos; workshop trolleys</p> <p>Facade, Formwork & Scaffolding: scaffolding formwork, tunnel formwork; formwork accessories and equipment; work platforms; expansion and restoration</p> <p>Cranes & Lifting: telescopic loaders; mobile and rotating tower cranes; work platforms; construction hoists; scaffolding</p> <p>Demolition & Recycling: crushing and screening plants; procession plants; dumpers and wheel loaders; drilling and blasting; conveyor belts; demolition tools; equipment and accessories</p> <p>Technology for road and path construction: compaction technology; expansion and restoration; asphalt mixing plants; dumpers, scrapers, wheel loaders, excavators, crawlers, tractors; site equipment; noise protection; levelling</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Current trade fairs</p> <p>Batimat 03.10.2022 – 06.10.2022</p> <p>Bauma 24.10.2022 – 30.10.2022</p>
<p>11 November</p> <p>11</p>	<p>ET 03.11. RS 17.10. AS 12.10. DU 17.10.</p>	<p>Bauma-Review I</p> <p>System construction: modular construction; construction systems; construction, office and residential containers; serial construction; drywalls</p> <p>Digitization: process optimisation; labour organisation; BIM integration; cybersecurity; machine control and data acquisition; networked site; automation</p> <p>Commercial vehicles & accessoires: wheels, chains; engines, gears, breaks, axes; lubricants; oils, fuels; chain tracks; automation and vehicle control systems</p> <p>Compact machines for garden and landscaping construction: skid-steer loaders, compact excavators and dumpers; small compressors; attachments; sweepers; compact machines; paving and path construction; municipal technology</p> <p>Earth-moving machines: mobile and chain excavators; wheel loaders; bulldozers, tracked loaders; dumpers; wear parts; machine control</p> <p>Cranes & Lifting: telescopic loaders; mobile and rotating tower cranes; work platforms; construction hoists; scaffolding</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Current trade fairs</p> <p>BIM World 22.11.2022 – 23.11.2022</p>
<p>12/1 Dec. /Jan. 2023</p> <p>12</p>	<p>ET 01.12. RS 14.11. AS 09.11. DU 14.11.</p>	<p>Bauma-Review II & Trade Fair Special: BAU München</p> <p>Formwork & Concreting: components and formwork systems; 3D-printing, Ready-mixed concrete; formwork accessories and equipment</p> <p>Digitization: process optimisation; labour organisation; BIM integration; cybersecurity; machine control and data acquisition; networked site; automation</p> <p>Commercial vehicles: trucks and bodies; trailers, low loaders, tippers, dispensers; transporters; silos; workshop trolleys</p> <p>Pipeline and sewer construction: sewerage, drilling technology, tunnel formwork, hose lining; manhole and sewer pipes; trenchless installation; pumps; shoring systems; sewage, water, gas and district heating pipelines</p> <p>Masonry & Scaffolding: bricks; components and system elements; fire protection; insulating systems; scaffolding</p> <p>Occupational safety and workwear: safety at work; safety shoes; personal protective equipment for construction and building trade; work clothing</p> <p><i>in all editions: politics and business, law, regional, research & technology, company cars, electromobility</i></p>	<p>Preliminary reports</p> <p>BAU München 09.01.2023 – 14.01.2023</p>
